WELCOME CLASS OF 1950! We hope you will come and join us for a visit with other SLHS Classmates.

The Classmate reunion started in 1970 when the classes of 1920,1921 and 1922 met together to celebrate their 50<sup>th</sup> anniversaries. They met again in 1975 and it has continued to the present time. Through the years additional classes have been invited one by one enabling the reunion to continue and to grow.

We are missing several names from our mailing list. Some letters come back each year with "no forwarding address." If you know of anyone not receiving this letter, please let us know or pass the letter on to them. Also if you are planning on moving, please add us to your "address change" list.

Remember this is a "classmate" reunion. You did not have to graduate from SLHS, just attended sometime during the school years up through the class of 1950.

## St. Louis classmates reunion

St. Louis classmates met on Sept. 8 for their 36th annual reunion. Included were classes of 1929 through 1949. The reunion was held at the First United Methodist Church in St. Louis.

Coordinator Joan Tryon Mulder, president Alfred (Sam) Bush, vice president Madge Terwilliger Oomen and secretary/treasurer Marian Burnham Miller, welcomed alumni and guests. After a social hour they proceeded to the dining hall where they were seated according to the year in which they graduated.

The president welcomed all and there was a moment of silence in remembrance of classmates who had passed and special acknowledgments were given to Vesta Decker Devereaux, class of 1929 and Dale Schultheiss, class of 1931.

Pastor Lillian French gave the invocation, followed by a din-

ner prepared and served by the United Methodist Women and Men.

The treasurer's report was given together with the minutes of last year.

Joan Mulder was given a gift to show appreciation for her assistance in making the occasion enjoyable for all who attended.

The next reunion is Sept. 7, 2007.

Marian R. Miller.)*
