The Board reviewed petitions 2024M-001 – 2024M-007.

Four people appeared in-person:

53-100-077-00, 523 Michigan Ave. filed an appeal of assessment due to limited income and seven total people in the home. The board offered a poverty application to petitioner but after reviewing the federal guidelines they did not believe they would qualify. The petitioner did not provide information to support their reason for protest. Petitioner also indicated that their estimate of true cash value is 110,000. Motion by Susan, supported by Mary, to deny the petition.

53-150-031-01, 416 Brown St. filed an appeal of assessment because they believe they are paying too much in taxes for an 800 square foot house. The petitioner did not provide documentation to support their protest. Motion by Mary, supported by Susan, to deny the petition.

53-300-009-00, 505 E Saginaw. made an appointment for March 11th at 12:00PM. Assessing Assistant mailed the record card and appointment confirmation letter on 2/29/2024. They did not show up for the appointment.

53-010-071-00, 324 W Tyrell. filed an appeal of assessment due to increases in assessed value. The petitioner stated they paid \$55,000 and now the property's

assessed value is 49,600. The board explained how the market affects assessed value. It was explained that the inflation rate applies to the taxable value. After reviewing the record card, the board corrected the property classification from CD to D. The Concrete Covered Porch (CCP) was corrected to a Roof Cover Only. Motion by Mary, supported by Ralph, to correct the changes made to the record card.

53-100-008-00, **121 W Hazel St** appealed the assessed value. A permit was issued for a new fence in 2023 and was added as new. The petitioner provided their appraisal from 2023. They did not feel the market had caused an increase in value from what they purchased the property for last year. They stated that the house has an additional full bath and a half bath, which was not on their record card, among other discrepancies on the record card. The board reviewed the record card and corrected the classification from class C to class CD, corrected 3 car garage to 2 car garage, changed 144sf WGEP to 144sf living area/crawl, changed 681 sf 1sty/crawl to 848sf, and changed the asphalt to concrete. Motion by Mary, supported by Ralph, to correct the changes made to the record card.

53-010-364-00, **521 Corinth** filed an appeal on assessed value. They feel the house is valued too high. After further review of the record card, the board corrected the building classification from a CD to a D and changed the land improvement class from a C to a D to match the building classification. They also corrected the % good from 80% to 55%. Motion by Susan, supported by Mary, to correct the changes made to the record card.

53-900-019-02, Prestage Properties, LLC. Personal Property Statement filed late. Motion by Mary, supported by Susan, to accept the Personal Property Statement.

53-010-310-00, **Gratiot Animals In Need (GAIN)** This charitable organization submitted a Real Property Tax Exemption Application. The board reviewed their application and the State guidelines. BUSINESS OF THE CITY COUNCIL ST. LOUIS, Michigan Agenda Statement

City Hall Use Only Item No.10A For the Meeting of April 2, 2024

ITEM TITLE: Ratify Tentative Agreement with St. Louis Police Officers Association

SUBMITTED BY: Kurt Giles, City Manager

SUMMARY OF EXPLANATION

We reached a tentative agreement (TA) with the police officers bargaining unit to amend the terms of the final year of the existing collective bargaining agreement and extend the agreement by two additional years. See attached image of the TA sheet. As you will see, the first-year increase is quite significant to elevate wages to meet current market conditions. Wages in the subsequent two years are set to increase by 2% annually. The TA also includes a provision for the City to match the employee's contribution (one-to-one) up to 2% of earnings into the employee's 457 retirement account. Healthcare insurance was discussed but left with the City's commitment to provide a plan which is "substantially similar" to all City employee's current coverage. Other provisions of the CBA remain unchanged. We are recommending Council's ratification/approval of the agreement changes.
