I hereby apply for a permit to use the City of St. Louis City Water System. I certify that I will comply with all the laws, rules, and regulations governing same.

The City reserves the right to require an approved backflow device; such device shall be the property and responsibility of the owner. When municipal water service, replaces an existing private well, the abandoned well must be properly plugged when taken out of service. The City may withhold utility service until satisfactory well abandonment work has been performed.

The permit application shall be supplemented by any plans, specifications, or any other information considered pertinent in the judgment of the inspector.

A set of plans must be submitted with this application.
