Net Metering Application Form

Please complete all fields on this application form. A \$100 non-refundable application fee must accompany this application or it will not be processed.

I wish to participate in the City of St. Louis Net Metering Program for the following account:

Account Number: _____

Account Name: _____

Service Address: _____

City, State, Zip: _____

Customer Name: _____

Phone Number: _____

Email Address: _____

Customer Type: Residential Business

Please provide the following generator information:

Capacity Rating of the Generator(s) in kW: _____ AC or DC (circle one)

Renewable Energy Source: Solar

Wind

Biomass

Hydro

Energy Storage System

_____ Other (please specify) _____

Please provide estimated date for generator installation/operation: _____

Has Interconnection Agreement been completed: _____ Yes _____ No

Net Metering Program Applicants must complete and sign a Generator Interconnection & Operation Application and/or Agreement, based on the capacity of the generator installation, with the City of St. Louis and fulfill all requirements as specified within the Agreement. All Interconnection requirements must be met prior to the effective date of a customer's participation in the Net Metering Program.

A separate generation meter is required for Net Metering installations, which will be specified and furnished by the City of St. Louis Municipal Electric Department. Installation and maintenance of the meter equipment is the responsibility of the Customer.

Please note that costs for the Interconnection and Interconnection Study, if required, must be paid in advance.

Signed: _____

Date: _____
